

Tyne & Wear General Practitioners' Group North East Social Investment Fund

Thursday 22 October 2015

08:00 for 08:15– 09:45hrs

PwC, Central Square South, Orchard Street, Newcastle NE1 3AZ

Most practices in the Northern region have one or more clients who fall into the “Social Enterprise” category.*

The next Tyne & Wear General Practitioners' Group meeting will hear from NorthStar's Peter Gilson on how he holds a significant pot of money waiting to be advanced to social enterprises in the region – the North East Social Investment Fund – and is desperately keen to advance it to your client!

NEL Chief Executive Yvonne Gale will be in attendance and will give an overview on alternative business finance; you may have heard about Jeremie money – Yvonne will be able to clarify what is available.

It's not quite Mark Knopfler's “money for nothing”, but do attend to learn how your clients could benefit. If nothing else the bacon or sausage sandwiches and the networking are worth the effort!

Peter Gilson qualified as an Associate of the Institute of Financial Services having spent 30 years with Barclays Bank in a number of lending and credit risk roles in the Midlands, North East, and London, including a spell at the Bank's Head Office, covering all types of businesses from SMEs to major European conglomerates. Peter brings a wealth of experience which will focus on the social, charitable and not for profit sectors.
