#### **WHY SHOULD YOU ATTEND THE CONFERENCE?**

The weekend is a great opportunity to gain valuable CPD at a competitive price. Over the weekend you will receive the equivalent of four half-day courses. It is aimed at partners, managers, and seniors in independent practices. As well as hearing from our expert lecturers you will have the chance to connect with them and other practitioners throughout the weekend

Many of the topics have been suggested by delegates who have attended previous Redworth conferences as well as the NorSCA CPD programme. Also, Rebecca Benneyworth will answer delegates' specific tax questions in her popular "Rebecca on Request" slot on Sunday morning. You can be sure that the conference will meet your business and professional needs, as well as those of your staff.

To complement the lectures there is an excellent social aspect to the weekend, with delegates and speakers mingling during the free periods. You can benefit from lots of advice from the speakers, as well as comparing notes with other practitioners.

Spouses/partners of delegates are more than welcome to attend on a dinner, bed and breakfast basis.
